Petition of Mr. Nadagiri Gowda, Kankanchalli - Praying relief in respect of his house.

Continuation Sheet. 4648 / 47 | File No. | Current No. R3 | of 47 | Page.

Petition dated the 12th January 1948 from Mr. K.C. Nadagiri Gowda of Kankanchalli town requesting for Compensation in respect of his house No. 1037 taken up by the Food Department & released in a damaged condition.

1) Order of the Minister on the petition.

2) Submitted with the previous reference on the subject, wherefrom it is seen that the petitioners request for Compensation in respect of his building No. 1037 Kankanchalli, alleged to have been released to him in a state of disrepair by the Food Department, was rejected more than once on the ground that the flooring of the said building was bad even at the time of taking up by the Food Department. Further his request was considered to be untenable as the entire amount of rent due to him was paid in full-vide report of the D.C. Bungalows dated 8-8-47.

To

The Secretary to Government of Mysore,
Food and Civil Supplies Department,
Bangalore.

Sir,

Subject:- Repairs to the building of
Mr.Mudlagiri Gowda,Kankanhally.

With reference to your letter No.SD.5895/R3-47-100 dated 7-2-48, forwarding the petition of Mr.Mudlagiri Gowda for fresh enquiry and report, I have the honour to state that I inspected the building when I visited the place on 9-4-48. It is true that the building has been damaged since it was used as a godown for storing foodgrains.

2). As Mr.Mudlagiri Gowda was constantly petitioning this and other offices, the Amildar had been asked to get up an estimate for repairing the building. Accordingly in January 1946 an estimate for Rs.340/- had been prepared and the Subdivision Officer recommended it for sanction. My predecessor sanctioned a rent of Rs.25/- p.m. from the date of occupation and ordered that the owner himself has to effect repairs as the flooring was bad at the time of taking the building. Though the building was in a bad condition at the time of taking it, I feel that it could not have been so bad as it was found now when I inspected the building. I think that it is reasonable that the owner has to be compensated to-some-extent though it is not incumbent on the occupier to meet the cost of ordinary repairs. The case has to be treated as one of unusual repairs.

Since the cost of repairs was estimated at Rs.340/- I recommend that the party may be re-compensed to this extent and the amount ordered to be paid to him. The Party may also be kindly endorsed that no more consideration can be shown to him.

The estimate is enclosed for kind perusal.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Bangalore District.
